1ST QUARTER 2025 SUNDAY SCHOOL INTERACTIVE BIBLE STUDY

FEBRUARY 2025

NJ MODERATOR: Pr. M. P. PALOMARES

**WE ARE NO LONGER UNDER THE OLD COVENANT LAW OF WORKS, BUT ARE
ALREADY UNDER THE NEW COVENANT REALITIES OF GRACE THRU FAITH
IN JESUS CHRIST, LET US ENDEAVOR TO LIVE THESE TRUTHS IN OUR LIVES**

February 02

- a) What religion taught us that Jesus forgave us when we confessed our sins* was amiss;
- b) Revelations in the WOG now show us that repentance and changing ways are needed*;
- c) We also learned that Jesus died to destroy sin itself, not just to forgive anyone sinner.*

February 09

- a) Jesus atoned not only ours but the sins of the world, and once He is in us we will sin no more*;
- b) Believers failed to learn since wrong teachings and traditions make the WOG of none effect*;
- c) Knowing this, should cause us to study more the Bible from revelation teachers anointed of God.

February 16

- a) Beware of listening from just any preacher on TV, since TV has become the pulpit of the world;
- b) Good thing that people learned to handle and use the Bible to fact-check preachings if Biblical;
- c) Believers need to know that anyone who does not teach the Deity of Jesus is really of the devil.*

February 23

- a) When we received Christ Jesus, as Lord we're supposed to walk also in Him* do we do this?
- b) This is one example of how most Christians are seen by the world, can we improve on this?
- c) As much as we want to please God, we fail in many ways, how can we be more Christ-like?

FOR THE INFORMATION OF EVERYBODY

(Since around 2011, we have been doing our Sunday School on various topics of the Bible, and obviously, they have been enriching our lives in general. Apart from intellectual enrichment, we all know that spiritual enrichment that shines out from our lives as children of God far outweigh all that we could ever learn. So with all the abundance of revelation knowledge thru the years that we have accumulated, we are more than ready to let shine the glory of God from our lives without exception. That's why, from now on our topics of study will more touch on what we learned so far are being reflected in our lives. God encourages us to "Let your light so shine upon man that they may see your good works and glorify your Father who is in heaven.")
