**ETERNAL LIFE MEANS KNOWING OUR FATHER, AS THE TRUE
GOD BY HAVING A CLOSE, INTIMATE RELATIONSHIP
WITH HIM AND HIS SON, JESUS WHOM HE SENT.**

May 4.

- a) Let us renew our minds from thinking that it means living forever;
- b) This comes out of having close and intimate relationship with Him;
- c) Free from self-righteousness, fleshly desires, and lusts of this world.

May 11.

- a) The Just shall live by faith, who walks not in flesh, but by the Spirit;
- b) Those who walk in the Spirit of God have passed from death unto life;
- c) If we walk after the flesh, we become carnal not minding about God.

May 18.

- a) Living the life God has prepared for us keeps us in His perfect will;
- b) Let us not be weary in well doing, for in due time, we will triumph;
- c) God shall keep anyone in perfect peace whose mind stayed on Him.

May 25.

- a) No weapon that is formed against us shall prosper and win over us;
- b) Every tongue that rises up against us in judgment we shall condemn;
- c) This is our heritage from God as children, for He is our righteousness.
