TOPICS FOR SUNDAY BIBLE FORUM THIS MONTH OF SEPTEMBER

TITLE:

WE USE THE KING JAMES VERSION OF THE BIBLE FOR CONSISTENCY
IN OUR KNOWLEDGE AND UNDERSTANDING OF THE WORD OF GOD AND TO
SAVE OURSELVES FROM THE RISKS OF EXPOSURE TO DOUBT AND UNBELIEF
THAT OTHER VERSIONS MAY INADVERTENTLY CAUSE OUR FRAGILE MINDS.

- 07 a) As an open-minded believer, we are not rendering judgment to anyone;**
b) We believe all versions of the bible are true and honest work of the translators;
c) Mentioning KJV is a personal opinion and must be considered as free choice.

- 14 a) KJV Matt 17:20 quotes Jesus answering, thus - *because of your unbelief*;**
b) In other versions the same verse is quoted as – *because you have so little faith*;
c) ‘Unbelief’ is too hard to be misconstrued as ‘little faith’ it’s just so unfotunate!

- 21 a) In Luke 8:50, Jesus told Jairus, ignore bewailers, *Fear not, believe only*;**
b) Luke 8:54 KJV says “*Jesus put them all out*” whereas others deleted this part;
c) By deleting it, Jesus’ remedy against fear got hidden, allowing faith to weaken.

- 28 a) Mistranslations in the Bible adulterate the truth believers rely much on;**
b) Believers who care about the truth should care also to use reliable translations;
c) In the end the responsibility remains with the students and teachers of the Bible.
