SUNDAY SCHOOL BIBLE STUDY GUIDE FOR MONTH OF OCTOBER 2025

TITLE: "THE WAR IS OVER" (GOD'S WRATH AGAINST MAN HAS ENDED)

MODERATORS: Pr. LITO M. ROSCA – NJ & Pr. FERDIE VERGARA – TX

October 05 – **In the OT, God declared war against all man because of his sin;**

- (a) God's wrath against sin started the war against man beginning from Adam;
- (b) That war continued until God, thru His Son, Jesus took sin upon Himself;
- (c) And not until that time, for over 4,000 years, had this war been going on.

October 12 – **In the NT, Jesus reconciled us to God no more imputing sin on us;**

- (a) But to this day, for more than 2000 years now, man continues to straggle;
- (b) Declining God's mercy – continuing to fight the war that was already over;
- (c) If we truly are in Christ, why are we still scared of sinning and going to hell?

October 19 – **Anyone refusing to believe this, is not saved, and remains in sin;**

- (a) Religion keeps us believing that "no man on earth can avoid committing sin"
- (b) Wrong, I John 3:9 says whoever is in Christ "does no sin" and "cannot sin;"
- (c) It's not only a matter of "not sinning," but "no longer able to sin anymore"!

October 26 **In all things of God, we must truly "believe Him and His Words;"**

- (a) Born again Christians, watch out, you may not really are, due to unbelief;
- (b) If you feel the need to repent everytime you sin, chances are, you are not;
- (c) We are true children of God, because God said so - not because we say so!
